FlexHead

StyleBoard
2000W
5 steam settings

GC557/30

Effortless crease removal from top to bottom

with FlexHead and extra-long StyleBoard

Our new ComfortTouch garment steamer removes wrinkles and refreshes fabrics. With innovative FlexHead and an extra-long StyleBoard, clothes will be wrinkle free from top to bottom with maximum ease and efficiency.

Quick crease removal

- Powerful continuous steam for fast crease removal
- Extra-long StyleBoard for better results from top to bottom
- Fabric brush for deeper steam penetration on thick garments

More efficient with less effort

- FlexHead technology to easily reach the bottom of garments
- 5 steam settings for different kinds of fabric
- Hang&Lock keeps your hanger securely in place

Reliable and safe

- Safe on all ironable fabrics, no burns guaranteed
- Automatically switches to standby mode for peace of mind
- Easy Rinse descaling for years of effective use
- PVC free silicon steam hose

PHILIPS

Highlights

Powerful continuous steam

Powerful continuous steam for fast crease removal

Extra-long StyleBoard

An extra long StyleBoard provides reliable support during steaming. Simply press the fabric between the steam plate and board for easier steaming with crisp results from top to bottom.

Brush accessory

Use the brush accessory with thicker garments like coats for better steam penetration and a smoother finish.

FlexHead technology

Innovative FlexHead technology lets you steam the bottom of garments easily, with less bending and kneeling. The flexible steam plate ensures maximum contact with the fabric so less steam escapes for efficient results.

5 steam settings

Set your preferred steam setting for optimal results on different fabric. Use low steam for thinner fabrics and a more powerful setting for thicker fabrics and coats.

Hang&Lock

Our unique Hang&Lock feature holds your clothes hanger in place for convenient steaming. It prevents the hanger from swinging or falling off.

Safe on all ironable fabrics

The steamer is safe to use on all ironable fabrics and garments. The steam plate can be

safely pressed against any clothing with no risk of burning – a great solution for delicate fabrics, like silk.

Auto shut off

The steamer automatically switches to standby mode when the water tank is empty, so you have peace of mind even if you forget to switch it off.

Easy Rinse descaling

Prolong the lifetime of your appliance by using the Easy Rinse descaling function regularly.

PVC free silicon steam hose

The steam hose is made of silicon material which is the safe and healthy choice for use with steam. As the safety and health of your family is important, no PVC is used in the steam hose.

Specifications

Technology

- FlexHead

Fast crease removal

- Continuous steam: up to 40 g/min
